Curator report: There is a need for docents for July and August. Cindy reached out to neighboring Historical Societies to share information about upcoming events.

Merchandise: Rose's daughter will provide 30 Sasquatch ornaments. They are planning to order hats at \$21 each and sell at \$29 each. Historical maps will be matted and framed to sell.

Activity news and other ideas: Joe working on Salisbury Lost book. At this time there are no books available for sale. Dave came across the Martin House that was originally located next to Academy Hall and had burned down. Time is needed to do a deed search. Dave also found a mistake in the Salisbury Historical House book and working on it. \$400 was spent on the flags that needed to be replaced. Dave had mentioned that the flags should be on 6ft poles to prevent from wrapping around and getting caught. Will look into.

Interactive Map: There was talk of adding the flags to the map so that people can click on link and learn about the flag and its purpose.

Old Home Day: Talk of whether to have the White Elephant Sale or not. Money is made mostly on donated old furniture. It is labor intensive. Need to decide if worth our time. Everything donated has to be stored in church 3 weeks prior to sale.
